

*Our forum is where
successful leaders
close ranks
to bring their
organizations
to heights greater
than what
they thought possible*

The Executive Leaders Forum

Uniting the best leaders, regardless of geographic location

ASSOCIATION FOR LEADERSHIP PRACTITIONERS

What is in it for me?

*How can I justify the time,
energy, and commitment
when my schedule is already
so busy?*

The Executive Leadership Forum is an exclusive forum dedicated solely to executive leaders like you. By invitation or referral only, you are being considered because your professional stance. Your company has earned the reputation borne of the type of leadership we recognize.

This private group may be for you if you are interested in continuous development. This group may be for you if you are genuinely interested in maximizing profits by working on your business.

Our members look forward to our monthly forums because they walk away with a handful of immediate and long-term answers and strategies for long term heightened success.

That is why we invite you to a forum as a guest the first time. We are confident that you will walk away energized. Energized and ready to commit just a few hours each month... because the wealth of benefits far outweighs the few hour investment.

We'd like to invite you to join us as our guest. [Click here to learn](#)

But we realize this isn't for everyone. Our forum isn't designed for those who prefer status quo.

It may not be a good match if you don't believe in the power of peer and expert support.

If you aren't interested in investing in yourself, in committing your time and energy to work on your business, it may not be for you. We expect commitment because achieving heightened success isn't for the faint of heart. Our forum requires active participation. We hold you accountable.

Our forum is dedicated to those who want to catapult results and maximize growth.

It works, but it takes work.

You've already mastered the art of your trade. I'm confident of that or I wouldn't be sending you this. But do you ever wonder how other people who don't know your business could possibly know how to find the right answer? You know, the answer you need to catapult growth?

As a roundtable of other leaders, we all have been in similar situations.

What's more, every member has surpassed stringent qualification standards. Their businesses have already reached a measure of success and their business is in good standing in the community.

We uphold high standards to ensure that you reach a greater level of success than you have already reached. We don't accept members that we aren't entirely confident we can help.

Our executive leadership coaches have extensive experience and hold credentials that bypass industry standards. We do this to protect your interest.

In over a century of combined industry experience, we have worked with other leaders just like you. We can and will take your business to greater heights.

*How could they
know?*

*How can the group possibly
know the answers I need if
I haven't been able to find
them on my own?*

Should you be interested, ask about talking to an existing member. Sometimes we can get the best information hearing it from someone who is currently experiencing it~
